Study Abroad

UNC Charlotte’s Office of Education Abroad (OEA) offers opportunities to travel and study in the world’s greatest cities and urban regions. You are encouraged to investigate OEA’s website to identify spring or summer abroad courses that focus on cities and urban issues. These could be considered for inclusion in your URBS minor line-up. Please reach out to Dr. Idziorek, Urban Studies Minor Coordinator, if you are interested in talking further about education abroad opportunities (kidziorek@uncc.edu).
